   a. chat   b. app   c. internet   d. click

Read the following text, then answer the questions:

Last Tuesday, our class went on a trip to the science museum. We took a bus and arrived in the morning. A guide showed us around and explained the different exhibits. We saw models of dinosaurs, machines, and planets. The space room was my favorite because it had a big model of the moon. We also watched a short film about how astronauts live in space. After lunch, we did a fun science experiment with magnets. I learned many new things and took notes to share with my parents. The trip was both fun and educational. I hope we visit another museum soon. Learning outside the classroom is always interesting.

Answer the following questions:

1. Where did the class go?
   ....
2. What was the writer's favorite part?
   ....
3. What did the students do after lunch?
   ....
